iLink LCD

Internet Updatable Messaging System

The iLink is a two-channel Internet downloadable messaging system utilizing MP3 compression to achieve near-CD quality audio playback. Units come with 2GB or 4GB of built-in flash memory to handle any audio application. The new backlit LCD screen and membrane touch keys control volume and mode settings as well as allowing local configuration of the unit's IP. Also included is an internal monitor speaker for checking playback status. The iLink connects to the Internet through its built-in 10/100 LAN jack. All unit management and audio file downloads are performed by the authorized supporting dealer over the Internet using our secure i-Connect Studio software suite. The integrated two-way (push or pull) feature combined with the ability for changes to be initiated on demand or be scheduled from minutes to weeks in advance provide unlimited flexibility and convenience. The iLink provides a solid platform for all applications ranging from simple message-onhold with seamless single message playback to complex scheduled tasks requiring background music with fade and message mixing. The dual independent outputs also make the iLink a "onebox-solution" in multi-zone installations.

► Complete unit management via Internet

► Dealer customizable backlit LCD screen

► Full menu-driven local control

► Playback quality up to 128Kbps

► Fully configurable playback options

► BGM input with fader and mixer

► Dual independent output channels

► Internal monitor speaker

► LED status indicators

► 5-year parts and labor warranty

► Designed and manufactured in the USA

Specifications:

Playback MP3

Freq. Response .... 20Hz to 20KHz

Bit/Sample Rate ...... Up to 128Kbps/48KHz

Loading Type .... Internet

Memory Type .... Flash

Memory Capacity ..... 2GB or 8GB

Message Capacity .... Up to 1000

Message Playback ....

Fully configurable

Power .... 12VDC @ 500mA

Audio Output ....

Dual - 8Ω or 600Ω RCA Size (H x W x D) .... 6.00" x 6.00" x 1.50"

Color .... Black

Shipping Weight .... 3 pounds
